Office of Congresswoman Lois Capps

Wendy/Greg -

As a follow up to our call last week, my colleague David Albright shared a web link I wanted to pass along to the Division of Oil, Gas & Geothermal Resources' (DOGGR) page on the Arroyo Grande aquifer exemption proposal.

Included on the page is a link to their Response to Public Comments:
http://www.conservation.ca.gov/dog/Pages/Aquifer_Exemptions.aspx

Please let me know if you have any questions or need any additional information.

Regards,
